

CURRICULUM VITAE

TERRI L. MILLER, PH.D.

(501) 444-2856
terri.miller.phd@gmail.com

PROFESSIONAL POSITIONS HELD

April 2019 – Present

Clinical Psychologist/Integrated Behavioral Health Lead, CHI St. Vincent, Little Rock, AR. Provide generalist psychological evaluation and intervention services for children, adolescents, and adults in primary care and family medicine clinics, with an emphasis on time-limited, goal-oriented psychotherapy, and with a transition to a primarily telehealth-based service delivery model during the COVID-19 pandemic. Serve as clinical lead for expanding multidisciplinary team of integrated behavioral health providers across multiple markets. Collaborated with clinical director on development and implementation of policies and procedures for growing integrated behavioral health program. Supervised integrated behavioral health practicum placement for doctoral counseling psychology students.

October 2015 – March 2019

Clinical Psychologist, Compensation & Pension and General Mental Health, Veterans Health Care System of the Ozarks, Fayetteville, AR. Conducted disability evaluations for veterans with behavioral health disorders and specialty psychological evaluations for veterans seeking bariatric surgery, organ transplants, and gender affirmation interventions. Led seminars on psychological assessment and cultural competence in behavioral health practice for predoctoral clinical psychology interns. Served as training faculty member for APA-approved predoctoral clinical psychology internship program.

October 2013 – October 2015

Clinical Psychologist, Private Practice, Little Rock, AR. Provided generalist psychological evaluation and intervention services to children, adolescents, and adults in an outpatient setting, with an emphasis on comprehensive psychological assessments and brief psychological consultations for patients with chronic pain.

August 2007 – December 2013

Adjunct Faculty, School of Social Work, University of Arkansas at Little Rock, Little Rock, AR. Taught masters-level course *Diversity and Oppression (Cultural Competence in Social Work Practice)* and provided test preparation guidance and support to academically challenged students.

December 2001 – Present

Consultant, Joseph Pfeifer Kiwanis Camp, Little Rock, AR. Serve as program evaluation consultant for a residential educational and behavioral intervention program for at-risk elementary school students.

October 2001 – August 2013

Assistant Professor, Department of Psychiatry, University of Arkansas for Medical Sciences, Little Rock, AR. Provided generalist psychological evaluation and intervention services to children, adolescents, adults, and their families in outpatient, inpatient, and community settings, with an emphasis on comprehensive

psychological assessments and brief psychological consultations with organ transplant candidates. Supervised predoctoral clinical psychology interns and postdoctoral fellows providing outpatient psychological evaluation and intervention services. Served as assistant training director for APA-approved predoctoral clinical psychology internship program and as program manager for outpatient mental health clinics for adolescents and adults. Conducted and collaborated on design and implementation of health services research and program evaluation projects focusing on developing methods for assessing and improving quality of, and access to behavioral health care for children and adolescents, improving access to depression care in faith communities, and developing and evaluating a science-based education program on mental health and substance abuse problems for K-12 students and school personnel. Mentored high school and undergraduate students interested in careers in behavioral health professions.
